

**Gyan Bharati School  
Saket, New Delhi**

**DATE:** 26.04.24

**NAME OF THE EVENT:** STORY TELLING

**CLASSES:** P4 and P5

**TEACHER INCHARGE:** Ms. Radhika Jawa

The primary students at Gyan Bharati recently had the wonderful opportunity to engage with renowned storyteller Ms. Swati Sinha. Stories are essential for developing a child's imagination and creativity, and Swati ma'am, with her decade-long storytelling career and authorship of over six children's books, brought her expertise to life. She captivated our students with the famous folk tale of two sisters, Tetan Buri and Boka Buri, using dynamic voice modulations and singing to keep the children enthralled until the very end. After the storytelling, she led a creative session where the students reenacted the story with their own unique endings. It was a delightful and enriching experience for our young learners.
