SAKET, NEW DELHI**

DATE: 13.05.24 TO 17.05.24

NAME OF THE EVENT: NEEV

CLASSES: P1-P5

TEACHER INCHARGE: CLASS TEACHERS AND SUBJECT TEACHERS

Project NEEV Remedial Classes (May 13th - May 17th , 2024)

Remedial classes under Project NEEV were held for students in grades P1 to P5 to provide extra support in literacy and numeracy skills. The goal was to strengthen foundational knowledge, enabling independent learning.

Structure and Approach:

- **One-on-One Attention:** Personalized teaching to address individual needs and identify specific struggles.
- **Worksheets and Activities:** Customized worksheets focused on arithmetic, reading, and problem-solving.
- **Interactive Learning:** Engaging activities, including games, reading sessions, and hands-on math exercises.
- **Doubt Clearing Sessions:** Dedicated time for students to ask questions and resolve doubts, boosting confidence.

The Project NEEV focused on building a basic understanding of numbers, enhancing reading skills through phonics and comprehension exercises and reinforcing learning with simple practice tasks. These classes effectively support students needing extra help, ensuring a solid foundation in literacy and numeracy skills, fostering independent learning and promoting academic success.
