

**Gyan Bharati School
Saket, New Delhi**

DATE: 13.05.24 to 17.05.24

NAME OF THE EVENT: Summer Camp-Saajha

CLASSES: Nursery to P5

TEACHER INCHARGE: All the teachers of Pre-Primary and Primary department including the Activity teachers

Summer Camp Saajha, held from 13th May to 17th May, provided a vibrant and enriching experience for children in the foundational and preparatory years. The camp focused on skill-building and development through a variety of creative and engaging activities.

Activities for Foundational Years

For the younger children, the camp offered activities designed to develop basic skills and creativity:

1. Sun Printing: Exploring light and shadows to create unique art.
2. Texture Painting: Using various materials to create textured art pieces.
3. Thumb Painting: Simple and fun painting using thumbprints.
4. Fireless Cooking: Learning basic cooking skills without the use of heat.
5. Storytelling: Using diverse techniques to bring stories to life.
6. Scavenger Hunt: Encouraging exploration and problem-solving.
7. Sports and Fun Games: Promoting physical activity and teamwork.
8. Marble painting :learning to create a marbled texture on paper

9. Theatre : using drama and body language to express

Activities for Preparatory Years

Older children participated in more complex and skill-oriented activities:

1. Tie Dye: Creating colorful patterns on fabric.
2. Vegetable Prints: Using vegetables to make unique prints.
3. Mosaic Tile Art: Designing intricate patterns with tiles.
4. Yarn Craft: Creating art and decorations using yarn.
5. Lip Pan Embroidery: Learning basic embroidery techniques.
6. Vocal Camps: Small camps for Western and Hindustani vocal music, fostering musical skills.

Summer Camp Saajha successfully engaged children in a variety of activities that fostered skill development, creativity and physical fitness. The diverse range of activities catered to the interests and developmental stages of both foundational and preparatory year children, making it a holistic and enjoyable learning experience. The camp's success highlights its effectiveness in contributing to early childhood education and development.
