

Gyan Bharati School, Saket  
New Delhi

**Date:** 13.05.2024

**Name Of The Event:** Session on Stream Selection and Emerging Careers by Pratham.

**Teacher Incharge:** Ms Barnali Das Paul & Ms Grisha Kharbanda

**Report :**

On 13th May 2024, Mr Binit Binod from Pratham Institute conducted a session for the students of class 10th aimed at providing guidance on the critical topic of stream selection and emerging career options. The session was designed to provide insights into various streams and the evolving landscape of careers in the contemporary world.

Students were first acquainted with the pivotal factors to consider when choosing a stream, including their interests, aptitude, career aspirations, value system, personality and market demand. Case studies and real-life examples were incorporated to facilitate better understanding.

The session continued with an exploration of the various streams available to students post-Class 10th, namely Science, Commerce, and Humanities. Detailed explanations were provided regarding the subjects under each stream, emphasizing their relevance and career prospects.

Interactive activities were interspersed throughout the session to foster engagement and active participation among students.

The session proved to be highly beneficial, equipping Class 10th students with the knowledge and resources necessary to make informed decisions regarding stream selection and career planning.
