

Gyan Bharati School
Saket, New Delhi

DATE: 19.10.2024-20.10.2024

NAME OF THE EVENT: **LEADERSHIP CAMP - PRIMARY**

CLASSES: **P4 & P5**

TEACHER INCHARGE: **Ms. Ankita Juyal Balooni, Ms. Devika, Ms. Vanshika**

An Overnight Leadership Camp was organized for the Primary Prefectorial Board (2024-25). The camp began with testing the mettle of the young ones as they completed the exciting tasks of crossing the Burma Bridge, navigating the Commando Net and Tyre Hopping. The learners were then divided into teams and given the instructions to make their own Coat of Arms as a reflection of their team spirit and strength.

In order to enable the children to make further stride as creative thinkers, the teams were asked to design their own *ZINES* where they wrote a letter to their school, shared tales of empathy under the column titled 'Kindness Café' and even learnt how to write acrostic poems. After a scrumptious lunch, the learners immersed themselves in the world of art. Amazing and intricate patterns came to life as the young leaders delved into the traditional art form of Lippan Art under the expert guidance of the Art Department. As the policy makers and stakeholders of tomorrow, the young ones also participated in an AD-MAD Show based on SDG 2 [Zero Hunger], SDG 4 [Quality Education] and SDG 13 [Climate Action]. They worked together as a team, discussed their posters and scripts and gave an enthralling performance. It was now time to sit back and relax after an eventful day. A bonfire, pyjamas and DJ along with a pizza party was the perfect end to an eventful day.

The morning began with a peaceful session of mindful meditation and yoga led by Ms. Noyonica. The students then sat down to pen their reflections as they pondered over the what transpired over the last 24 hours. The last activity was aimed to develop an attitude of gratitude as the children sat down to write what they were thankful for.

The overnight leadership camp was an utterly delightful experience for all.
