Fun Activities

1) PRONOUN CLOUD

Materials used- used coloured sheets, a pair of scissors, colours

Process- The children will choose any one pronoun (he, she, they or any other) of the day. On a cloud, that pronoun will be written and on the strips attached all the nouns will be written which can be replaced by that pronoun. The children can do this activity on the weekends.

2) क्रिया खेल (Action Charades)

Material required:

- Sheet of a paper
- Colours

Method:

- Write action words (क्रिया) on slips of paper, like नाचना (to dance), गाना (to sing), दौड़ना (to run).

- You can take turns drawing a slip and acting out the action word without speaking.

- The other person will guess the action word.

3) ACTIVITY 2- ANIMAL DICTIONARY

Kindly assist your child in creating his/her own animal dictionary with colourful pictures/drawings of different animals. Help them by making them write one amazing fact for each animal.

4) The Subtraction Scoop

1. Take any four numbers.

For example:

64, 23, 28, 24

	6	4
-	2	3
	4	1

	6	4
-	2	4
	4	0

2. Now follow the below and create

	6	4
-	2	6
	3	6

steps given in the picture the subtraction scoop.

5) ANIMAL DICTIONARY

Kindly assist your child in creating his/her own animal dictionary with colourful pictures/drawings of different animals. Help them by making them write one amazing fact for each animal.
