"Technology like art is a soaring exercise of the human imagination."
— Daniel Bell

TECHNOLOGY WEEK 2024

World Technology Day is celebrated on 11th May to honour scientists and engineers. The theme for 2024 is 'School to Startups-Igniting Young Minds to Innovate', aiming to inspire innovation and startup culture.

Gyan Bharati School celebrated Technology Day by making children perform various activities that were not only fun-filled but also sparked creativity.
The Primary children participated in engaging activities like 'Zee Type' and 'Guess the Tech Emoji'.

'Zee Type' aimed at enhancing their typing speed and their vocabulary. The 'Guess the Tech Emoji' introduced the students to various technology-related concepts through playful guessing.

The day commenced with a workshop organized by BML Munjal University. Teachers across all levels attended it with enthusiasm. They showed keen interest in learning about the key terms of AI and its applications.

Various ethical concerns connected with it, like AI Bias and Job loss were also discussed. It was an enriching session for them, as the resource team was incredibly knowledgeable and engaging.

The competent Speakers included:
I. Dr. Christopher Alan Patrick, Assistant Professor, School of Liberal Studies, BML Munjal University
2. Dr. Soharab Hossain Shaikh, Associate Professor, Department of Computer Science, School of Engineering and Technology, BML Munjal University
3. Prof. Davinder Singh, Associate Professor, CEO, Atal Community Innovation Centre-BMU Foundation,
The Panel Chair and Panelists were as follows:

- Moderator/Chair: Prof. Arindam Banerjee, Professor, Vice and officiating Dean, School of Liberal Studies, BML Munjal University
- Dr. Kalpita Bhar Paul
- Ms. Saraswathy Vaidyanathan
- Dr. Soumyajit Bhar
